

## **RIGHTS OF OWNERS TO COMMENT AND/OR TO OBJECT TO LISTING IN THE NATIONAL REGISTER OF HISTORIC PLACES**

Owners of private properties nominated to the National Register have an opportunity to concur with or object to listing in accord with the National Historic Preservation Act and 36 CFR 60. Any owner or partial owner of private property who chooses to object to listing may submit to the State Historic Preservation Officer a *notarized* statement certifying that the party is the sole or partial owner of the private property and the party objects to the listing. Each owner or partial owner of private property has one vote regardless of the portion of the property that the party owns. If a majority of private property owners objects, a property shall not be listed. However, the State Historic Preservation Officer shall submit the nomination to the Keeper of the National Register of Historic Places for a determination of eligibility of the property for listing in the National Register. If the property is determined eligible for listing, although not formally listed, Federal agencies will be required to allow for the Advisory Council on Historic Preservation to have an opportunity to comment before the agency may fund, license, or assist a project which will affect the property. If you choose to object to the listing of your property, the notarized objection must be submitted to the State Historic Preservation Officer at the address shown in the attached letter by the date of the review board meeting.

If you wish to comment on the nomination of the property to the National Register, please send your comments to the State Historic Preservation Officer before the review board considers this nomination. A copy of the nomination and information on the National Register and federal tax provisions are available from the State Historic Preservation Office, Michigan Historical Center, upon request.
